

Allen Rosen, CPA

Tax Manager

Phone: 516-541-6549 | Fax: 516-541-6563 | Email: arosen@dsjcpa.com

Allen Rosen is a Tax Supervisor at DSJCPA with over 30 years of accounting experience under his belt. Rosen attended Hunter College, earning a Bachelor of Science degree in Accounting; four years later, appropriately on April 15, he earned his CPA certification. Allen has worked at various private practitioners and other small public accounting firms before finding his place here at DSJCPA.

Rosen acts as a mentor for the junior staff members, helping them prepare returns and reviewing and supervising their work. He relishes the opportunity to implement his practical skills and enjoys sharing his talent with the younger staff: "The staff and partners are all friendly... I like being part of the team, developing our processes, and improving the work environment. I really feel like I learn something new every day."

Outside the office, Allen is a proud advocate for people with special needs; he supports Best Buddies International and serves on the Board of Directors of ACT for Life Services. He enjoys time with his family, going to the beach, and attending concerts, especially to watch his son perform with his band, Columbus Avenue Band.
